August 14-18, 2011

Classes & Lecture:

Laura Wasilowski

Laura is a textile artist, author, teacher and creator of hand dyed fabrics and threads. She has an undergraduate degree in Costuming from The College of St. Benedict, St. Joseph, MN, and a Master of Art degree in Fiber from Northern Illinois University, De Kalb, IL. She is the owner of ARTFABRIK. www.artfabrik.com

Garden of Eden Class

In this tempting class create a small art quilt teeming with every flower in creation. Build a blooming garden on a green base of lush leaves, curly ferns and wavy blades of grass. Add simple daisies, jolly tulips and colorful chrysanthemums to the mix and you have a garden that Eve would envy. All from colorful fused fabrics. Directions for free cutting flowers, bias leaves and fused quilt assembly processes are covered. (No sewing machine)
Kit Fee \$25.00 paid to Laura.

Tiny Homes Class

Create a little house and receive a degree in Architecture from the Chicago School of fusing at the same time! In this workshop we explore the many techniques of fusing: free cutting, layering, collage building, improvisational design and more. The result is a whimsical neighborhood placed in a colorful landscape setting and made from beautifully hand-dyed fabrics. (No sewing machine)
Kit Fee \$25.00 paid to Laura.

Pat Yamin

With over 40 years of quilting, Pat has amassed a large collection of antique quilts, tops and blocks. Her collections are frequently sought after for trunk shows and have been exhibited at major quilt shows across the US. Pat's background led her to start her company, Come Quilt With Me in 1981. She celebrates 30 years of business this year! Her fourth book will be released by AQS in Sept. 2011 titled "Two-Patch Scrap Quilts".

Mystery Quilt Class

Enjoy the outdoor beauty of Yarrow and the friendships of fellow quilters while you join Pat in creating a Mystery quilt. Pat will prepare kits for everyone who signs up for this Early Bird Special. Sorry, I can't tell you the pattern—it's a Mystery. **Kit Fee \$35.00 paid to Pat.**

Love Letters Quilt Class

The "Kansas City Star" newspaper patterns were shared by farmer's wives in rural America for years. They were especially popular during the Depression when every scrap of fabric was used. The design of this block looks like an envelope and is made using only two templates. A great scrap quilt with your favorite plaids, prints and flowers. **Templates \$20.00 paid to Pat.**

Two-Patch Scrap Quilts Lecture

Pat will be giving her lecture on the quilts and tops that have inspired her next book "Two-Patch Scrap Quilts," to be released in September 2011. Her trunk show represents quilts and tops from the late 1800s to the present. Pat will show you quilts, tops and blocks, each with its own story. You are welcome to bring a pad of paper to take notes and a camera. **Free.**

"If 10 were the highest, I would have to rate this retreat a 15!"

Kathy Edwards

Kathy and Steve Edwards are the proud owners of Quilts Plus, a quilting store in Kalamazoo, MI, for over 20 years. Her store is well known for the hundreds of samples and projects she has displayed. There are books, patterns and kits for all of them.

New York Beauty Table Runner Class

This table runner has a new flair with an interesting shape. The blocks are pieced on a foundation printed panel, along with two four-patch blocks. This is a great project that looks hard, but the technique is easily learned. **Kit fee is \$48.00 OR bring 12 fat quarters of fabric. The panel is \$12.50 and you will also need the add-a-quarter ruler \$9.50 paid to Kathy.**

Rose Kite

Rose has been quilting since 1987. She loves to shop at flea markets, garage sales and auctions for needlework treasures and nostalgia items to decorate her house. She loves to travel, garden and cook. Rose lives in Kutztown, PA, with her husband.

Tea Time for Quilters Class

After dinner join Rose for an hour, as she teaches you how to make your own special Tea Cup for your needles and pins. **Free.**

Post Cards Class

Why not send a post card home? We will mail them for you. In this one hour class Rose will show you how easy it is to create your own special memory on fabric. Make a useable post card to mail home or to a loved one. **Free.**

Pat Farace

Pat has been in the quilting business for over 25 years. She owned a Quilt Shop in NJ where she has lived for more than 13 years. She enjoys hand stitching and embroidery work. She travels to many quilt shows in the U.S. vending and selling quilt supplies.

Paper Piecing Hearts Quilt Class

Have you ever thought of learning to paper piece? This is a great class to get started. In this one-hour class you will make one of the 12 calendar blocks in this miniature quilt kit. Pat has chosen Feb. to teach the Heart pattern. **Kit Fee \$15.00 paid to Pat.**

Hand Appliqué Class

Learn a new and easy way to do hand appliqué for your next project. In this one hour class Pat will show you the tips and tricks to make your appliqué simple and stress free. **Kit Fee \$15.00 paid to Pat.**
